Bloomington City Council

Dear City Council Members:

The city of Bloomington has been a valued partner of Bloomington Heritage Days since its inception in 2010, and we are sincerely appreciative for your support and partnership.

Our 2016 event will take place this September 16<sup>th</sup> and 17<sup>th</sup>, including a two day festival and a Saturday parade with over 100 registrants representing Bloomington corporations, non-profits, schools and families. We anticipate the largest attendance yet, and hope to once again bring the Bloomington community together.

We again respectfully request a donation of \$20,000 toward the Bloomington Heritage Days 2016 event.

Thank you for your past support of Bloomington Heritage Days, and for your consideration of our request for 2016.

Sincere Regards,

Tom Kendall  
President, Bloomington Heritage Days
